

25 Years of Excellence

ALEXANDER METALS INC.

You may not have heard of Alexander Metals Inc. but you see our work every day.

We are an award-winning Nashville-based company that specializes in the sales, fabrication, and installation of commercial storefront, curtainwalls, aluminum windows, and architectural metal wall panels. We work on projects all over Middle Tennessee. If you look at the exteriors of many high-profile buildings in Nashville and the surrounding areas, you're looking at our work. Examples include the Marriott Hotel at Vanderbilt University, Skyline Medical Center, Vanderbilt Children's Hospital, the office building at 1201 Demonbreun Street, Tractor Supply Corporate Headquarters, and many buildings at Vanderbilt University and Belmont University.

Alexander Metals Inc. has been consistently named one of America's top glazing companies by the National Glass Association, and has been recognized for outstanding quality, performance, and safety by many local and regional organizations.
